KEVIN'S STORY

GCBDD Maintenance and Grounds Manager Vince Fioritto was looking for a summer employee who could help him with everyday lawn maintenance and other groundwork. He was internally referred to Kevin, who he interviewed and quickly decided to hire.

"He is very good at what he does. He doesn't require much supervision and it makes my job easier," Mr. Fioritto said. "I don't always have to give him specific directions, either. He has an ability to see what needs to be done and will take the initiative to do it."

Kevin's responsibilities include leaf blowing, lawn mowing and any other necessary outdoor lawn maintenance. He drives the commercial lawn mower and runs all the equipment independently. He also drives himself to and from work each day, and Vince describes him as being highly independent.

"He is a very meticulous employee," Mr. Fioritto said. "He is working out excellently and I am happy that I was able to hire him."
